MEET THE CAST

JOHN REYNOLDS

John Reynolds is a native of Bastrop, La., a Graduate of Ferriday High School, holds a BA in Theater from ULM, and attended Post Graduate studies at the University of New Orleans. John has won numerous awards for acting. A 30 year veteran of the stage and a 25 year veteran of the airwaves.

MOIRA O'CONNOR

Moira is a wig wearing, musical theater loving, tap dancing dog mom. The love child of Mel Brooks and the Muppets, Moira developed a love for the stage at an early age. From performing to directing, costumes and choreography; Moira has done it all. She'd work the fly rail if she weren't afraid of heights. Moira's memorable performances include Joanne in Company, Frau Blücher in Young Frankenstein, and Magenta in The Rocky Horror Show.

JASON BARNETT

Jason is a veteran of over 30 stage productions. In his spare time, he enjoys competitive bonsai trimming and teaching platypuses to crochet tiny sweaters.

SAM COLEMAN

Sam Coleman started acting in 2012. Since then, he has been involved in over 30 local stage productions as well as film and television. He most recently appeared in Strauss's 'The Wedding Singer' and the film 'Something To Stand For with Mike Rowe.'

DANIELLE HUDLESTON

Dani has been a part of the local theatre community for eight years. This is her third show under the direction of Josh Madden, after her leading role of Louise Seger in the Strauss production of Always... Patsy Cline and her ensemble role in the 2023 production of The Rocky Horror Show.

SCOTT STONE

Scott is a proud father of a son and two daughters as well as a cat and four dogs. Scott is a native of Mansfield, La and is an NLU graduate. In recent years, Scott has been in numerous dinner theatre and main stage productions at Strauss Theatre Center, including Million Dollar Quartet, The Wedding Singer, and Always... Patsy Cline. In his free time, Scott enjoys music, the arts and good times with family and friends. Scott would like to thank his girlfriend Moira O'Connor for dragging him to his first audition. He has not been right since.

CLARA RAE

Clara Rae is a 22 year old singer-songwriter from Northeast Louisiana, winner of the 2019 & 2023 Stars on the Bayou award, the 2023 NELA Music Awards' Emerging Artist of the Year, and 2024 NELA Music Awards' Female Performer of the Year. Clara has played over 500 live shows at many notable venues, such as the Bluebird Cafe in Nashville TN, the Florabama, the Piccadilly Circus in London, and many more. She continues to write and travel in order to work on her craft, and is pursuing a long term career in music.

HIDDEN TRACKS (PRESTON AND HEATH)

Hidden Tracks is Northeast Louisiana's premier 90's alt rock cover band, featuring Preston Fulco (guitar), Tracy Rainwater (bass), James Buckley (drums), and Heath Work (vocals). Their goal is to see audiences have as much fun listening to them as they have performing.

MAKESHIFT TAPEDECK (ASA AND JOEL)

Makeshift Tape Deck formed in 2020 with Asa Stone, Joel Jordan, and Cole Deriso coming together to create music which takes inspiration from multiple genres. Later joined by Jesse Grinter, their combined brand of rock is raw yet polished in its execution and their lyrics inspire good times while also provoking conversation on social issues.
